

FamilyCore Holiday Giving FAQ's

A. What is it?

FamilyCore's Annual Holiday Giving Drive supports children in our community by giving them well-deserved joy during the holiday season. Holiday Giving is the perfect way to make an impact on families in the community through gathering gifts for children. FamilyCore is hoping that you will participate by gathering gifts for children to make their Christmas special.

B. How can you get involved?

- There are a few options on how to get involved in the Holiday Giving Drive.
- Gather gifts at your workplace by having a gift drop-off box in a central location in the office \
- Host a gift-gathering party by getting friends together to spread holiday cheer and give back to the community
- Raise money for the Holiday Giving Drive, so Family Core can purchase highly demanded gifts
- Plan an event at work where coworkers are asked to give a dollar to wear jeans, create incentives in the office for donating a gift, or other creative way to collect gifts
- Begin a Facebook fundraiser

C. How will FamilyCore help?

In thanks for helping make this Christmas special for our families, we want to help as much as we can. FamilyCore will provide potential gift ideas, advertising fliers, Amazon Smile gift lists, social media templates, and specific dates. We will also help you get your gift gathering started and the logistics sorted out.

D. What gifts should I gather?

Our children at FamilyCore are unique regarding their age and interests. For gift ideas, we suggest sports equipment, books, board games, cards, art supplies, slippers, jewelry kits, and coloring books. A highly needed gift is gift cards for the teenagers we serve at FamilyCore. Please no toy guns or other toys that could be inappropriate for children of all ages.

E. What is the timeline for Holiday Giving?

Our suggestion is to launch your Holiday Giving Drive during August. This gives coworkers, friends, and families enough time to buy gifts and turn them in on time. We ask that all your gifts are gathered and dropped off at FamilyCore by December 1st. Please do not wrap your presents. FamilyCore hosts a wrapping day on December 4th and we would love for you to join us.
